Fall Enrollment by Major/Specialization and Level, 1980 through 201

NOTE: The School of Computing was a department in a Special Division until becoming the School of Computer and Information Sciences in Fall 1982. The School was renamed School of Computing in Summer 2012.

* In Fall 1998, the University changed from the quarter to the semester system.

** In Fall 2003, the Banner Student Information System started.

*** In Fall 2008, CIS specializations became degree majors.

Other Specializations included Scientific Applications, Educational Applications, and Computer Systems Design.

Starting Fall 2002, Information Science specializations changed to Information Systems specializations.

Starting Fall 2003, Computer and Information Sciences & General Studies includes Undeclared majors.
