SUBJECT: Admissions Appeals Committee 2023-24

This will serve as your appointment to the Admissions Appeals Committee for the 2023-24 academic year.

The Admissions Appeals Committee, consisting of USA faculty and administrators, will consider appeals from applicants who have initially been denied admission. Appeals will be considered on a case-by-case basis for admission based on entrance exam scores and high school GPA. Such applicants may present additional information relevant to their success in college. The committee may consider entrance exams (SAT, ACT or SAT scores), high school GPA, personal statements, recommendation letters, or other information relevant to potential success in college. Committee recommendations will be submitted to the Provost who will make the final admission decision. The committee will deliberate at least once a month, either in person or via email, to make a decision. The committee will continue to meet during the academic year.

Mr. Mathew Cox will serve as chair and will notify you of meetings. If you are unable to serve, please notify him immediately.

Thank you for your willingness to serve on this important committee.
